

## **News and Updates from Totland Parish Council February 2021**

**Budget:** Councillors have met to discuss the budget for 2021/2022 and have agreed that there will be a zero increase in the Precept. We will continue to support the Sports & Community Centre, Community Connector and the Nursery. In addition, we have agreed to support Totland Bay Post Office as this is a valuable service to our Community and Councillors felt it was important to help.

**Summers Lane:** We are working with Councillor John Howe regarding Summers Lane. John has been speaking with both Island Roads and Isle of Wight Council regarding the problem that had arose since being resurfaced and has committed fully to this until the road is properly resurfaced which will allow the surface water to drain away.

**Parking:** Totland Recreation Ground car parking area should not be used by local people as a second car parking space or for vehicles that are either SORN or do not hold a current MOT. The area is for users of the facilities and signage will be installed shortly informing all that no overnight parking is allowed for any vehicles.

**Beach Safety:** Councillors are currently working with other agencies to ensure our beaches are safe for this summer. This will involve new buoys and Councillors are pushing for these to be put out in the appropriate places in Colwell and Totland along with necessary signage.

**Census 2021:** The Census will be taking place on 21<sup>st</sup> March 2021 and this year they will be running this digitally. There will be help during this time and we urge you to look out for the purple background advertising that has started. It is very important that we all complete this census as the information gained will help us understand what our society needs now and what it is likely to need in the future. The information it collects helps plan and fund services in our area such as transport, education and healthcare. All your information is kept safe at the Office for National Statistics.
